Dear Loau,

I write to express my sincere congratulations on the success of the Voyage to Leadership: Pasifika Young Women's Symposium.

It was great to meet some of Western Sydney's aspiring young female leaders and share some of the lessons I have learnt over the years through the panel discussion.

In recognition of the symposium, I delivered a Community Recognition Statement in the NSW Parliament last month. I have enclosed a Hansard excerpt in this letter.

I look forward to working with you PWPBN going forward, and I wish you all the best for the remainder of 2024.

Yours Sincerely
